Declaration by Research Scholar

I, **Name of Scholar** certify that the work embodied in this **Ph.D.** thesis is my own bonafide work carried out by me under the supervision of **NAME OF Supervisor** and the co-supervision of **NAME OF Co-Supervisor** for a period of **4 Years** from **2nd jan 2025** to **10th jan 2025** at **Mahatma Gandhi Central University** and (Name of the Institution where work has been carried out partly or fully). The matter embodied in this **Ph.D.** thesis has not been submitted for the award of any other degree/diploma.

I declare that I have faithfully acknowledged, given credit to, and referred to the research workers wherever their works have been cited in the text and the body of the thesis. I further certify that I have not willfully lifted up someone else's work, para, text, data, results, etc., reported in journals, books, magazines, reports, dissertations, theses, etc., or available at websites, and included them in this **Ph.D.** thesis and cited as my own work.

Certificate by Supervisor

This is to certify that the thesis entitled " **Multi-view Stacked CNN-BiLSTM (MvS CNN-BiLSTM) for urban** $PM2.5$ **concentration prediction of India's polluted cities** " is original work and has been carried out by Mr/Ms **Name of Scholar** Enrolment No. **MGCU2021CSIT4029** under my guidance and supervision for the degree of **Doctor of Philosophy** in ..... to be awarded by **Mahatma Gandhi Central University, Bihar**.

To the best of my knowledge and belief this thesis

i. embodies the work of research scholar himself / herself,

ii. has duly been completed,

iii. fulfils the requirements of the ordinance related to Ph.D. degree of the University.

iv. contents of the thesis do not form the basis for the award of any other degree/diploma or similar title to the research scholar or to anybody else from this or any other University/lnstitution.

Acknowledgment

This M.Tech **ReportType** is the result of hard work, upon which many people have contributed and given their support. I have made this dissertation on the topic **"ReportTitel ."** I have also tried my best in this dissertation to explain all the related detail. I would like to express my sincere gratitude towards my Superviser **Supervisor**, Department of **Department**, for providing excellent guidance, encouragement, inspiration, and constant and timely support throughout this **Degree** dissertation work. He taught me how to pursue the right aim towards the work, and showed me differnt ways to approach the research problem. His wide knowledge and logical ways of thinking have been great value for me, and his understanding and guidance have provided the successful completion of the Dissertation work.

First and foremost, I would like to express my gratitude to our beloved Dean of the Computational Sciences, Information and Communication Technology and Head of Department of Computer Science and Information Technology **HodName**, for providing his kind support in various aspects. A special thanks to all the Respected Teachers of the Department of Computer Science and Information Technology.

I am always grateful to the university, our Hon'ble Vice chancellor **Vc** for providing such a good research environment.

Special thanks to Ph.D scholar, especially **Ritika Singh**, **Surbhi Kumari**, **Ibrahim Momin**, **Naushad Ahmad** and my friends **Tej Prakash**, **Gajendra Patel**, **Abhijeet Kumar**, **Amod Kumar**, **Rana Kumar**, **Krishna Murari**, **Rajan Kumar**, **Suraj**, **Md. Aamir Sohail**, **Shahzeb Khan**, and all my lovely juniors for their invaluable feedbacks, care, and moral support during this endeavor.

Mother and **Father**, it is impossible to thanks adequately for everything you have done, from loving me unconditionally to rising me in a stable household, where your

persistent efforts and traditional values taught your children to celebrate and embrace life. I could not have asked for better parents or role-models. You showed me that anything is possible with faith, hard work and determination.
